## TWIN LAKES

You love living here! You have lasting memories in your home.

### Ever wonder how much your home is worth?

It isn't just walls & rooms!

Twin Lakes is one of Franklin Twp's best kept secrets.  
We live in a natural retreat, almost like living at a resort!  
It's not just a home...*it's an experience.*

### Your neighbor, FRANKIE TADSEN, agrees!

Selling homes in a lake community requires special marketing!  
When it comes to buying or selling a home in Twin Lakes, who  
better to help than someone who loves living here.

### Not ready to sell?

Frankie can still help:

- Conducting a market analysis of your home
- Providing information about area homes
- Assisting your friends/family in finding their dream home.

Let Frankie Tadsen put her personalized sales approach, extensive marketing and sales training plus her love of the Twin Lakes community to work for you.
